- Policies**
1. It is assumed that you know all of the information from math 121. If you don't know what that consists of visit the math department's webpage (www.math.unm.edu) and under course information go to core courses then go to math120.
 2. *No Calculators will be allowed on tests* but it is recommended that you have a TI-83 Plus for some homework problems.
 3. It is *your responsibility* to be up-to-date on the homework and the class schedule. This includes *knowing your grade* (keeping track of records), and knowing when the last day to drop classes.
 4. Make arrangements if you need to miss an exam .
 5. For Student Behavior policies, see UNM code of conduct. I don't like cheaters, so don't cheat.

- Special Notes**
1. The last day to drop without a grade is Friday, June 27
 2. There is no class on Friday, July 4th
 3. The last day to withdraw without Dean's approval is Friday July 18th

¹Office Hours will be determined by the information you give me about your schedules.

²If you don't have it done in class you have the option of putting it in my box before 5 (when the office closes). To do this, go to the fourth floor of the Humanities building and ask someone at the desk to put it in my box.

³All of the exams will be comprehensive including the final exam.
